

The Virtual Classroom Toolbox: The Course Map

The Course Map displays a content area in the coursesite viewable by all users.

In the example below, the external links area of the coursesite is selected from the drop-down list and then displayed on the right-hand side of the Virtual

The screenshot displays the Virtual Classroom interface. On the left, the 'Classroom Tool' menu is visible, with 'Course Map' selected. Below it, the 'Course Map' tool is shown with a tree view of content: 'Content', 'Course Information', 'Staff Information', 'Course Documents', and 'External Links'. An orange arrow points from 'External Links' to the right-hand side of the interface. The right-hand side shows a breadcrumb trail: 'MY OCC COURSES > STUDENT ORIENTATION: BLACKBOARD BASICS > EXTERNAL LINKS > LEARNING AT OCC'. Below the breadcrumb, three external links are displayed, each with a globe icon: 'Distance Learning at OCC', 'Study Skills from Auburn Hills IIC', and 'OCC Library Homepage'.

Classroom.
