

## How to Enter a Group

Click the Communication button in the navigation bar then Groups.

You will see a list like the one below of all of the groups that exist for the course. **Only groups to which you belong will be links.**

If you were a member of the group, you could click on Group Name (the link) to enter.

 [First Ladies](#)  
This group includes Martha Washington, Martha Jefferson and Abigail Adams. They will write the Constitution.

 [Past Presidents](#)  
Members of this group include George Washington, John Adams and Tom Jefferson. They will write the Declaration of Independence.

In this example, you would be a member of both groups, since both groups are links.
