

How to check your grades

Click Tools button in the left navigation bar.

Click Check Grades link.

You will see the following box that lists each item that has or will be graded, a column for your score, the total points possible, and the class average. (Note: the class average is the average grade for all students that took this quiz. It is not your average in this class)

Item Name	Date	Grade	Points Possible	Class Average	Weight
Getting Started in Bb	6/3/05	-	3	-	0%
Student Tools	6/3/05	-	4	-	0%
Communication Tools	6/6/05	-	0	-	0%
test 6/6	6/6/05	-	45	-	0%
test1	6/6/05	-	0	-	0%

If the quiz was taken online, you can click on your score to open the quiz and view your answers and any feedback (if your instructor has enabled this option).
