

Quizzes

A Quiz is another form of an assessment tool used by some instructors. Typically quizzes contain less questions than examinations. Questions may be in the form of multiple choice, true/false or fill in the blank. Quizzes cannot be timed; however, they may include a due date.

To access a Practice Test, click on the **Assessments** link on the left side of your screen. Next, click on the **Quizzes** sublink.

This will bring up the list of Quizzes available to you. To access a Quiz, click on the name of the quiz.
