The following preambles and resolution were offered by Trustee Davis and seconded by Trustee Anderson.

WHEREAS, Oakland Community College, State of Michigan (the "College") is a community college district organized and operating under Act 331, Public Acts of Michigan, 1966, as amended ("Act 331"); and

WHEREAS, under the provisions of Public Act 201 of 2012 the College receives State of Michigan appropriations; and

WHEREAS, the appropriation in PA 201 section 201(2)(cc) for local strategic value, as developed in cooperation with the Michigan Community College Association, shall be allocated to each community college; and

WHEREAS, one-third of funding available under the strategic value component shall be allocated to each category described in PA 201 Section 230 subsection (4); and

WHEREAS, the following categories of best practices reflect functional activities of community colleges that have strategic value to the local communities and regional economies: Category A, economic development and business or industry partnerships; Category B, educational partnerships; and Category C, community services.

NOW, THEREFORE, BE IT RESOLVED by the Oakland Community College Board of Trustees, State of Michigan, the Board certifies to the state budget director the College meets or exceeds at least four out of five best practices listed in each category described in PA 201(230)(4) in the following specific ways:

For Category A, Economic and Business or Industry Partnerships:

Economic and Business or Industry Partnerships	Examples of Oakland Community College Adherence
(i) The College has active partnerships with local employers including hospitals and health care providers.	The College has agreements across 14 different programs and agreements such as Health Administration, Nursing, Exercise Science with hospitals (including but not limited to Beaumont, Crittenton, Botsford, Oakwood and St. Joseph Hospital) and health care providers (such as HealthQuest Physical Therapy & Medical Fitness, Clawson). Economic Development partnerships (10) include Oakland County Economic Development Division, Medical Main Street, Oakland County Chambers Network, and Business and Industry partnerships (25) include groups such as Chrysler, GM, Eaton, and others.
(ii) The College provides customized on-site training for area companies, employees, or both.	The college has 15 current Michigan New Jobs raining Program agreements with an additional four pending final approval; current contracts are just over \$8 million. In addition, the college also offers a variety of contract training to business and industry, examples include INCA/Ehooks (FCA), Leadership Series, Project Management (PMP) Certification, LEAN, Microsoft Office, Apprenticeship Programs, Robotics, Programmable Logic Controls (PLC), First Aid, CPR and Teambuilding Courses. In addition, under the auspices of a grant with Oakland County Michigan Works!, professional development classes such as Customer Service Skills Training and Handling Hostile Customers in the Workplace, including Active Shooter, are provided to Oakland County Michigan Works! personnel
(iii) The College supports entrepreneurship through a small business assistance center or other training or consulting activities targeted toward small businesses.	The College provides lead faculty in engaging with the Goldman Sachs 10,000 Small Businesses initiative in partnership with Detroit area economic developers. OCC hosts the SBDC office at the Royal Oak campus providing space and staff support. OCC is spearheading efforts to create a “Makers Space” in downtown Pontiac.

<p>(iv) The College supports technological advancement through industry partnerships, incubation activities, or operation of a Michigan technical education center or other advanced technology center.</p>	<p>The College operates a Michigan Technical Education Center (MTEC) at the Auburn Hills campus, specializing in the delivery of skilled training for Advanced Manufacturing, concentrating on providing skills training for companies and individuals from manufacturing to IT with a focus on the future (autonomous vehicles)</p>
<p>(v) The College has active partnerships with local or regional workforce and economic development agencies.</p>	<p>The College is an active partner in the Workforce Intelligence Network (WIN) of Southeast Michigan (Board seat), Michigan New Jobs Training (MNJT) Fund and Skilled Trades Training Fund in collaboration with Oakland County and Oakland County Michigan Works! Economic Development partnerships (10) include groups such as Oakland County Economic Development Division, Oakland County Chambers Network, Automation Alley (Board seat), MMTC and OU/Pontiac Initiative.</p>

For Category B, Educational Partnerships:

<p>Educational Partnerships</p>	<p>Examples of Oakland Community College Adherence</p>
<p>(i) The College has active partnerships with regional high schools, intermediate school districts, and career-tech centers to provide instruction through dual enrollment, direct credit, middle college, or academy programs.</p>	<p>Under the statewide articulation model, the College has 272 active agreements with 47 Michigan school districts and technical centers covering 15 OCC courses. In addition, the College also has started Oakland Technical Early College with Oakland Schools, Oakland Early College, a school of choice program through the West Bloomfield School District, and Oakland ACE (Accelerated College Experience), an early college program through Oakland Schools for students in participating Oakland County districts. Additionally, the Auburn Hills Campus collaborated and supported 25-30 dual-enrolled high school students from the Pontiac School District including Pontiac High School and the International Tech Academy.</p>

<p>(ii) The College hosts, sponsors, or participates in enrichment programs for area K-12 students, such as college days, summer or after-school programming, or science Olympiad.</p>	<p>The Man Up Program combines Dual Enrollment and intense personal interaction with OCC faculty and staff designed to improve the college success rate of African American young men. Approximately 40 participants attend from the Birmingham, Hazel Park, Oak Park and Southfield school districts. The College also is an active participant in Manufacturing Day, which provides high school students the opportunity to experience careers in advanced manufacturing.</p>
<p>(iii) The College provides, supports or participates in programming to promote successful transitions to college for traditional age students, including grant programs such as talent search, upward bound, or other activities to promote college readiness in area high schools and community centers.</p>	<p>Campus recruitment partnerships with area high schools provided high school seniors the opportunity to tour campuses and learn about services and programs from various department representatives, including Counseling and ACCESS. Additionally, the College requires that new students complete a mandatory orientation prior to registering. Placement Test prep session are held at high schools for dual enrollees</p>
<p>(iv) The College provides, supports, or participates in programming to promote successful transitions to college for new or reentering adult students, such as adult basic education, GED preparation, GED testing, or recruiting, advising, or orientation activities specific to adults.</p>	<p>To date, under the auspices of a grant from Oakland County Workforce Development Division, OCC has provided PowerPath screening and resources for over 3,500 Michigan Works! program participants. In addition, OCC has formed partnerships with Oakland County Adult Education programs, and includes the GED test as one of the test offerings in the OCC M-TEC Testing Center.</p>
<p>(v) The College has active partnerships with regional 4-year colleges and universities to promote successful transfer, such as articulation, 2+2, or reverse transfer agreements or operation of a university center.</p>	<p>The College has 321 active agreements with 28 post-secondary institutions in Michigan and other states, including 299 articulation agreements (40 more are in development), one consortium agreement, six reciprocal-joint programming agreements with Macomb Community College and six Institutional Partnership Agreements/Memorandums of Understanding. Three of the nine reverse transfer agreements are with the institutions where the majority of our students transfer – Oakland University, Wayne State University and Walsh College. Additionally, the College offers College-wide transfer days to U of M-Ann Arbor, taking students, managers and administrators to the University for personalized student assessments and tours.</p>

For Category C, Community Services:
