

# Seniors and their cell phones

## DESIGNED FOR SENIOR CITIZENS

### Bring your fully-charged smart phone.

Meet author and patient instructor Mike Wilson. His 5-hour "senior-friendly" workshop is designed for recent learners and tinkerers! Mike will demonstrate on a large screen how to use your cell phone features. The workshop will cover topics such as: phone calling, pictures, texting, navigating, passwords, apps, contacts, e-mail, camera, Play Store, settings, Internet, voice recorder, vision adjustments, voicemail, and more!

\*\*\*For users of any Samsung, LG, ZTE, HTC, HTC, all Note phones, Nexus, Sony, Galaxy, any Metro PCS, Motorola, Nokia, Huawei, Alcatel, Lenovo, Acer, BLU phones, Toshiba, Sharp, and any other Android systems.

**Not for iPhone users.**
