Free training available to qualified candidates starting June 7, 2021
Programmable Logic Controller and Robotics Technician Program

Advanced manufacturing is one of the fastest-growing, high-demand industry sectors in Southeast Michigan, with thousands of positions open annually. If you have the interest and ambition, Oakland County Michigan Works! and Oakland Community College offer no-cost training to qualified workers. Take the first step in joining this career sector by attending a training program information session.

**Applicant Requirements:**
- U.S. citizen or an eligible non-citizen
- 16 years-of-age or older
- Not currently registered in school within a local educational agency
- Registered with the Selective Service (if applicable)
- Unemployed or underemployed
- Other eligibility factors may apply
