Policy Statement

To provide funds for support of the College, administration shall have timely, applications filed with appropriate Federal and State agencies for operating and capital assistance.

When funds awarded to the College from programs administered by the U.S. Department of Education are intended and regulated to supplement, and not displace other institutional resources, it shall be the College's policy to use such funds for supplemental purposes. Funds received from the U.S. Department of Education shall not be used to replace or supplant funds which are available from other sources sufficient to meet the College's needs for supporting activities for which such federal funds have been received.
